

Marion County Neighborhood Leader Program

A grassroots
program of the
Marion County
Democrats.

Bringing progressive
change to Marion
County—one
doorstep at a time.

AS A NEIGHBORHOOD LEADER YOU WILL-

- ▶ Invest 4-8 hours each election contacting 35 Democrats' homes (40-50 voters) in your neighborhood for big results!
- ▶ Dramatically increase voter turnout for Democratic victories!
- ▶ In the 2020 general election NLs turned out their neighborhood voters at over 90%!

During the Covid-19 Pandemic We Did Postcard Mailing *Instead* of Canvassing

- ▶ We are now canvassing in urban areas and mailing postcards in rural areas.
- ▶ We follow up with reminder calls to folks who haven't voted.
- ▶ We also text those with cell phones.

Neighborhood Leaders Expectations-

You will do better as a Neighborhood Leader if you:

- ▶ Make a long-term commitment (several years)
- ▶ Get out in your neighborhood several times a year visiting your neighbors
- ▶ Go online before canvasses to NLP Services to download lists.
- ▶ Go online after canvasses to enter vote commitments and to monitor voting and non-voting neighbors when the voting period starts
- ▶ Re-contact neighbors who haven't voted, ask them to return their ballots, and assist them if needed.
